

# Annual Legal Update Seminar & Region 5 Meeting

**Presented by:**  
**Lloyd D. Dix, CAC Legal Advocate**

Register now for the annual Legal Update Seminar covering everything that is collections and the law. We will explore all things that have been addressed by the courts and provide you with an updated status of the hottest issues, including letters, telephone calls, Foti, call frequency, automated telephone dialers, social media, credit reporting and any other collection topic of interest to you.

These seminars will be completely interactive. For the first time, we are able to question the audience and post their anonymous responses to multiple choice questions. The results will be displayed in "real time". We request that you bring your fully charged "smart phones" (capable of texting). We also ask that you bring your knowledge, your willingness to share and learn, and your questions.
